Present and constituting a quorum were:

Bruce Parker	Chairman
Blaz Kovacic	Vice Chairman (by phone)
Aaron Lyman	Supervisor
Ben Bishop	Supervisor

Also present were:

Jim Oliver	District Manager
Jere Earlywine	District Counsel
Scott Lockwood	District Engineer
Brian Stephens	Operations Manager
Danielle Simpson	Riverside Management Services
Evgeny Munkov	BBX Capital
Lisa Cathell	BBX Capital (by phone)

The following is a summary of the discussions and actions taken at the August 15, 2019 meeting. A copy of the proceedings can be obtained by contacting the District Manager.

**FIRST ORDER OF BUSINESS**

**Call to Order**

Mr. Oliver called the meeting to order and called the roll.

**SECOND ORDER OF BUSINESS**

**Public Comment**

There being none, the next item followed.

**THIRD ORDER OF BUSINESS**

**Affidavit of Publication**

A copy of the affidavit was enclosed in the agenda package.

**FOURTH ORDER OF BUSINESS**

**Approval of the Minutes of the July 18, 2019 Meeting**

There were no comments on the minutes.

On MOTION by Mr. Parker seconded by Mr. Bishop with all in favor the minutes of the July 18, 2019 meeting were approved.

**FIFTH ORDER OF BUSINESS**

**Public Hearing to Adopt the Fiscal Year 2020 Budget**

Mr. Oliver stated you approved the budget at your May meeting and we fine-tuned it over the last couple of months. The most important thing to note is that assessments stayed the same on a per unit basis for the developed lots out there.

Mr. Parker asked between the budget we saw in May to this budget, as far as our projected expenditures, have they gone up or down much?

Mr. Oliver stated no there's not been much change at all.

On MOTION by Mr. Parker seconded by Mr. Bishop with all in favor the public hearing was opened.

There were no members of the public in attendance.

On MOTION by Mr. Bishop seconded by Mr. Parker with all in favor the public hearing was closed.

**A. Consideration of Resolution 2019-12, Relating to Annual Appropriations and Adopting the Budget for Fiscal Year 2020**

Mr. Earlywine stated this resolution essentially adopts your budget and is the same resolution you all have seen in past years.

On MOTION by Mr. Parker seconded by Mr. Bishop with all in favor Resolution 2019-12, relating to annual appropriations and adopting the budget for Fiscal Year 2020 was approved.

**B. Consideration of Resolution 2019-13, Imposing Special Assessments and Certifying an Assessment Roll for Fiscal Year 2020**

Mr. Earlywine stated this resolution levies and imposes your special assessments for operations and maintenance and also sets forth the collection schedule for your debt assessments. There are some findings the board is making in terms of benefit. You are basically saying there is sufficient benefit from the budget to justify the assessment level and that the assessments are fairly and reasonably allocated. You all are levying at a certain level

around the \$1.1 million mark to keep the assessments the same as last year and then there is a deficit funding agreement that we will have in place to cover that gap.

On MOTION by Mr. Parker seconded by Mr. Bishop with all in favor Resolution 2019-13, imposing special assessments and certifying an assessment roll for Fiscal Year 2020.

**C. Consideration of Deficit Funding Agreement for Fiscal Year 2020**

On MOTION by Mr. Parker seconded by Mr. Bishop with all in favor the deficit funding agreement for Fiscal Year 2020 was approved.

**SEVENTH ORDER OF BUSINESS**

**Ratification of ETM Work Authorization Nos. 17 and 18 for CEI Services Related to Phases 3A and 2B**

Mr. Lockwood stated work authorization number 17 is for 3A and work authorization 18 is for 2B and they are for CEI related services.

On MOTION by Mr. Kovacic seconded by Mr. Lyman with all in favor ETM work authorization numbers 17 and 18 were approved.

**EIGHTH ORDER OF BUSINESS**

**Staff Reports**

**A. District Counsel**

There being none, the next item followed.

**B. District Engineer**

**1. Ratification of Requisition Nos. 1-18 (2019)**

A copy of the requisition summary was enclosed in the agenda package.

Mr. Lockwood stated requisition numbers 1-18 were mostly approved last month but I think they shifted it to this series of bonds. The only issue I have is there are several that are for the plat for Clary and those are percentages split between the developer and CDD.

Mr. Kovacic stated I think we agreed that it makes more sense that rather than Clary splitting up those percentages in their invoices that they continue to bill based on the agreement and in the end when the plat is recorded then the numbers get reconciled and the developer reimburses the CDD.

Mr. Earlywine stated yes we spoke about that. That way Clary doesn't have to do anything on their end. They just keep invoicing the CDD and we've done that on other contracts as well.

On MOTION by Mr. Bishop seconded by Mr. Lyman with all in favor requisition numbers 1-18 were ratified.

**2. Consideration of Requisition Nos. 19-44 (2019)**

A copy of the requisition summary was enclosed in the agenda package.

Mr. Lockwood stated Hughes Brothers' payment on number 34 is contingent upon approval of the following change orders; otherwise we have to get them to revise the pay application.

On MOTION by Mr. Lyman seconded by Mr. Parker with all in favor requisition numbers 19-44 were approved.

**3. Consideration of Change Order Nos. 3R and 4 from Hughes Brothers**

Mr. Lockwood stated we talked about number 3R months ago and we finally got the numbers reconciled. Those were some sod numbers that just needed to be finalized. Change order four is for dewatering and some other items.

Mr. Lyman stated we tabled number four last month and went back to Hughes Brothers on the dewatering and asked for a reduction. Since then they have reduced the dewatering number.

**SIXTH ORDER OF BUSINESS**

**Consideration of Proposals for Entry #2 and Townhomes Landscape and Irrigation Installation**

Mr. Lockwood stated we had two bidders, West Orange Nurseries, which is our apparent low bidder at \$728,506.76 and Sunstate Nurseries at \$809,000. They both met the preliminary requirements, which means they attended the pre-bid meetings and did the other stuff so now the question is how do you want to score them on personnel and equipment, experience, understanding of scope, financial capacity, price, schedule and total.

Mr. Parker stated West Orange has been working for the CDD now for three years and there have been no complaints about their work. I would give West Orange a full 20 on experience and really experience specific to this property because they've been involved with

the project since the beginning and have relationships with the staff. There is no question that Sunstate has been in business a long time but on this particular project I would not give them the full points.

Mr. Lyman stated I would rate them the same on personnel and equipment.

Mr. Parker stated on understanding scope of work we'd give West Orange 10 points based on history and 9 to Sunstate. Financial capacity I know for a fact we can give West Orange a full 10. I know Sunstate does work all over the state.

Mr. Earlywine stated just give them the same score, 10 and 10. Price is formulaic so if you do a proportion West Orange gets 25 and Sunstate comes in at 22.5 and those can be adjusted further if you had any discrepancies on the unit pricing.

Mr. Lockwood stated I think the schedules were pretty comparable.

On MOTION by Mr. Parker seconded by Mr. Bishop with all in favor ranking West Orange Nurseries #1 and Sunstate #2 was approved with staff authorized to send out a notice of award and to enter into a contract with West Orange Nurseries.

**EIGHTH ORDER OF BUSINESS**

**Staff Reports (continued)**

**A. District Counsel**

Mr. Earlywine stated I have a development contribution agreement. There's a possibility that phase four may be sold to Dream Finders so the request from them was if they buy the piece of property they will still be able to use the amenity facilities and assets that the phases 1-3 residents have. We said we can give them that guaranteed but we would need an agreement that they would come to the table and either have us issues bonds to build your infrastructure over there, or you have to give us some infrastructure so that phase four is essentially contributing to the amenities just like all of the other residents did. The contribution level is tied to the A1 number that the other folks in the community are paying so it's about \$21,706 per ERU.

On MOTION by Mr. Parker seconded by Mr. Lyman with all in favor the developer contribution agreement was approved in substantial form.

**B. District Engineer**

Mr. Lockwood stated on phases 3A and 2B I think we're going to issue a change order at some point.

Mr. Parker stated yes I think Hughes Brothers will be submitting change order for both and we've released materials to them because they are direct pay. They've committed that they are going to hold unit prices and if they do we're okay with extending their contract but if their prices go up then we will have to go out and bid it but I hope to have their final bids in the next couple of days.

Mr. Earlywine asked would you all sign that change order between now and the next meeting? Do you want to take a motion?

Mr. Parker stated yes. It has to be subject to Scott's review.

On MOTION by Mr. Parker seconded by Mr. Lyman with all in favor a Hughes Brothers change order related to phases 3A and 2B was approved subject to the District Engineer's review.

**C. District Manager – Discussion of the Meeting Schedule for Fiscal Year 2020**

On MOTION by Mr. Parker seconded by Mr. Lyman with all in favor the meeting schedule for Fiscal Year 2020 was approved as presented.

**D. Amenity Manager – Report**

Mr. Stephens reviewed his report, a copy of which was included in the agenda package. Mr. Stephens stated I have two proposals for pest control for the facility. One of them is from Freedom Pest Control and the other is from Turner Pest Control. Turner is offering us a little more service at \$190 per month and Freedom Pest Control is at \$200 per month. Turner is including a rodent control box and Freedom is not.

On MOTION by Mr. Parker seconded by Mr. Bishop with all in favor Turner Pest Control's proposal was approved.

Ms. Simpson stated I'm finalizing details on a Labor Day event. We're going to start incorporating some health lectures and orientations probably every Saturday for the month of September and we're looking at having some chef dinners, movie nights, dive-ins, monster mashes and things like that for these upcoming months. We have two or three other current facility managers with Riverside training up there so they are being familiarized with access cards, daily operations and what needs to be done so that if the manager is out of town or out for any reason we have staff that will come in and there are no hiccups.

**NINTH ORDER OF BUSINESS** **Financial Reports**

**A. Balance Sheet & Income Statement**

**B. Assessment Receipts Schedule**

Mr. Oliver stated you are fully collected for O&M.

**C. Check Register**

On MOTION by Mr. Parker seconded by Mr. Bishop with all in favor the check register was approved.

**D. Funding Request No. 38**

On MOTION by Mr. Parker seconded by Mr. Bishop with all in favor funding request number 38 was approved.

**TENTH ORDER OF BUSINESS** **Supervisors' Requests and Audience Comments**

There being none, the next item followed.

**ELEVENTH ORDER OF BUSINESS** **Next Scheduled Meeting – September 19, 2019 at 10:00 a.m. at the Offices of GMS**

**TWELFTH ORDER OF BUSINESS** **Adjournment**

On MOTION by Mr. Bishop seconded by Mr. Parker with all in favor the meeting was adjourned.

Board of Supervisors  
Meadow View at Twin Creeks Community Development District  
475 West Town Place, Suite 114  
St. Augustine, FL 32092

We appreciate the opportunity to offer our services to Meadow View at Twin Creeks Community Development District (the "Issuer"). This letter confirms our engagement to provide arbitrage rebate services, with respect to the \$16,490,000 Special Assessment Bonds, Series 2018 (the "Bond").

The procedures that we will perform are as follows:

- Assist in the determination of the amount, if any, of required rebate to the United States government.
- Issuance of a report representing the cumulative results since the issuance date of the Bond based on information provided by the Issuer and/or Trustee.

In assisting in the determination of the amount of any potential required rebate, we will not verify or otherwise audit the accuracy of information provided to us by you or the Trustee, and accordingly, we express no opinion on such information. Furthermore, the performance of the above-mentioned procedures will not constitute an audit made in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion on the elements, accounts, or items of a financial statement. Therefore, Grau & Associates ("Grau") will not be in a position to express, and will not express an opinion, or any other form of assurance, as a result of performing these procedures.

The procedures that Grau has been requested to perform are solely the responsibility of the Issuer. Furthermore, Grau has no responsibility to advise the Issuer of other procedures that might be performed and makes no representations as to the sufficiency of such procedures for the purposes of the Issuer.

Grau's responsibility is limited to performing the procedures specified and agreed to, and to reporting the resulting findings, subject to the limitations contained herein, and our engagement cannot be relied on to disclose errors or irregularities should they exist. Grau has no responsibility for updating the procedures performed or for performing any additional procedures.

Since tax law is not always clear, we will use our professional judgment in resolving questions affecting the arbitrage rebate calculations. Any of your Bond issues may be selected for review by the Internal Revenue Service ("IRS"), which may not agree with our positions. Any proposed adjustments are subject to certain rights of appeal. Due to the lack of clarity in the tax law, we cannot provide assurance that the positions asserted by the IRS may not ultimately be sustained. You have the ultimate responsibility for your compliance with arbitrage rebate laws; therefore, you should review the calculations carefully.

The Issuer shall provide accurate and complete information requested by Grau. Grau has no responsibility for the accuracy or completeness of the information provided by, or on behalf of, the Issuer, even if Grau had reason to know or should have known of such inaccuracy or incompleteness.

Should Grau determine that significant restrictions are being placed on the performance of the above-mentioned procedures by the Issuer, Grau shall be entitled to withdraw from this engagement.

Any report issued by Grau will not be used by, or circulated, quoted, disclosed or distributed to, nor will reference to such reports be made to anyone who is not a member of management or of the Board of Directors of the Issuer.

**Limitation on Liability**

The Issuer agrees that Grau, its partners, principals, and employees shall not be liable to the Issuer for any actions, losses, damages, claims, liabilities, costs, or expenses in any way arising out of or relating to this engagement for an aggregate amount in excess of the fees paid by the Issuer to Grau for the services performed pursuant to this engagement. In no event shall Grau, its partners, principals, or employees be liable for consequential, special, indirect, incidental, punitive or exemplary loss, damage, cost, or expense (including without limitation, lost profits and opportunity costs).

The Issuer also agrees to indemnify and hold harmless Grau, its partners, principals, and employee from and against any and all actions, losses, damages, claims, liabilities, costs, and expenses (including, without limitation, reasonable legal fees and expenses) brought against, paid, or incurred by any of them at any time, in any way arising out of or relating to a breach or an alleged breach by the Issuer of any provision of this engagement letter, including, without limitation, the restrictions on report use and distribution.

The limitation on liability and indemnification provisions of this engagement letter shall apply regardless of the form of action, loss, damage, claim, liability, cost, or expense, whether in contract, statute, tort (including, without limitation, negligence), or otherwise. The agreements and undertakings of the Issuer contained in this engagement letter, including, without limitation, those pertaining to restrictions on report use and distribution, limitation on liability, and indemnification, shall survive the completion of termination of this engagement.

Our fee for performing the annual rebate calculations will be \$600. We will discuss with you whether a fee adjustment is appropriate on rebate calculations for future periods. Furthermore, you may request additional consulting services from us upon occasion and we will bill you for these services at our standard hourly rates unless otherwise agreed.

You understand that the arbitrage rebate services and report described above are solely to assist you in meeting your requirements for federal income tax compliance purposes.

If the above terms are acceptable to you, and the services outlined are in accordance with your understanding, please sign both engagement letters in the space provided and return one original to us.

Very truly yours,

We appreciate the opportunity to offer our services to Meadow View at Twin Creeks Community Development District (the "Issuer"). This letter confirms our engagement to provide arbitrage rebate services, with respect to the \$21,435,000 Special Assessment Bonds, Series 2016 (the "Bond").

The procedures that we will perform are as follows:

- Assist in the determination of the amount, if any, of required rebate to the United States government.
- Issuance of a report representing the cumulative results since the issuance date of the Bond based on information provided by the Issuer and/or Trustee.

In assisting in the determination of the amount of any potential required rebate, we will not verify or otherwise audit the accuracy of information provided to us by you or the Trustee, and accordingly, we express no opinion on such information. Furthermore, the performance of the above-mentioned procedures will not constitute an audit made in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion on the elements, accounts, or items of a financial statement. Therefore, Grau & Associates ("Grau") will not be in a position to express, and will not express an opinion, or any other form of assurance, as a result of performing these procedures.

The procedures that Grau has been requested to perform are solely the responsibility of the Issuer. Furthermore, Grau has no responsibility to advise the Issuer of other procedures that might be performed and makes no representations as to the sufficiency of such procedures for the purposes of the Issuer.

Grau's responsibility is limited to performing the procedures specified and agreed to, and to reporting the resulting findings, subject to the limitations contained herein, and our engagement cannot be relied on to disclose errors or irregularities should they exist. Grau has no responsibility for updating the procedures performed or for performing any additional procedures.

Since tax law is not always clear, we will use our professional judgment in resolving questions affecting the arbitrage rebate calculations. Any of your Bond issues may be selected for review by the Internal Revenue Service ("IRS"), which may not agree with our positions. Any proposed adjustments are subject to certain rights of appeal. Due to the lack of clarity in the tax law, we cannot provide assurance that the positions asserted by the IRS may not ultimately be sustained. You have the ultimate responsibility for your compliance with arbitrage rebate laws; therefore, you should review the calculations carefully.

The Issuer shall provide accurate and complete information requested by Grau. Grau has no responsibility for the accuracy or completeness of the information provided by, or on behalf of, the Issuer, even if Grau had reason to know or should have known of such inaccuracy or incompleteness.

Should Grau determine that significant restrictions are being placed on the performance of the above-mentioned procedures by the Issuer, Grau shall be entitled to withdraw from this engagement.

Any report issued by Grau will not be used by, or circulated, quoted, disclosed or distributed to, nor will reference to such reports be made to anyone who is not a member of management or of the Board of Directors of the Issuer.

**Limitation on Liability**

The Issuer agrees that Grau, its partners, principals, and employees shall not be liable to the Issuer for any actions, losses, damages, claims, liabilities, costs, or expenses in any way arising out of or relating to this engagement for an aggregate amount in excess of the fees paid by the Issuer to Grau for the services performed pursuant to this engagement. In no event shall Grau, its partners, principals, or employees be liable for consequential, special, indirect, incidental, punitive or exemplary loss, damage, cost, or expense (including without limitation, lost profits and opportunity costs).

The Issuer also agrees to indemnify and hold harmless Grau, its partners, principals, and employee from and against any and all actions, losses, damages, claims, liabilities, costs, and expenses (including, without limitation, reasonable legal fees and expenses) brought against, paid, or incurred by any of them at any time, in any way arising out of or relating to a breach or an alleged breach by the Issuer of any provision of this engagement letter, including, without limitation, the restrictions on report use and distribution.

The limitation on liability and indemnification provisions of this engagement letter shall apply regardless of the form of action, loss, damage, claim, liability, cost, or expense, whether in contract, statute, tort (including, without limitation, negligence), or otherwise. The agreements and undertakings of the Issuer contained in this engagement letter, including, without limitation, those pertaining to restrictions on report use and distribution, limitation on liability, and indemnification, shall survive the completion of termination of this engagement.

## General Terms and Conditions

### GC-1 DEFINITIONS

- A. "Consultant" shall be defined as SES Energy Services LLC;
- B. "Client" means the company entering into this Agreement with Consultant;
- C. Consultant and Client will be collectively referred to as the "Parties" or sometimes individually as a "Party";
- D. "Work" is defined as the services being provided by Consultant to Client, and all duties and responsibilities associated therewith; and
- E. "Agreement" is defined as the Agreement reached by the Parties for the Work and all documents referenced in and made a part of the Agreement, including, but not limited to Consultant's Cost Estimate and associated proposal.

### GC-2 ORDER OF PRECEDENCE

All contract documents and subsequently issued modifications are essential parts of this Agreement, and a requirement occurring in one is binding as though occurring in all. In resolving conflicts, errors, or omissions, the following order of precedence shall be used:

- A. Cost Estimate including Scope of Work and Agreement signature page.
- B. General Terms and Conditions; and
- C. Attachments, if any.

### GC-3 ENTIRE AGREEMENT

This Agreement embodies the entire agreement between the Parties. The Parties shall not be bound by or liable for any statement, representation, promise, or understanding not set forth herein and nothing contained in proposals, correspondence, discussions, or negotiations prior to the date of this agreement has any effect on this agreement unless specifically incorporated herein. No changes, amendments, or modifications of any of the terms and conditions hereof shall be valid unless reduced to writing and signed by the Parties.

### GC-4 RESPONSIBILITIES

Consultant has the responsibility for providing the services described in the cost estimate. The Work is to be performed according to accepted industry standards of care and is to be completed in a timely manner. The Client or a duly authorized representative is responsible for providing the Consultant with a clear understanding of the project nature and scope (the Work). The Client shall supply the Consultant with sufficient and adequate information, including, but not limited to, maps, site plans, reports, surveys and designs, to allow the Consultant to properly complete the Work. The Client shall also communicate changes in the nature and scope of the Work as soon as possible during performance of the Work so that the changes can be incorporated into the work product.

### GC-5 HEADINGS

The captions in this Agreement are for convenience only and shall not define or limit any of the terms herein.

### GC-6 SEVERABILITY AND INTERPRETATION

In the event that any provision of this Agreement shall be held to be invalid or unenforceable, the remainder of the Agreement shall not be affected and the Agreement shall be construed in all respects as if such invalid or unenforceable provisions were omitted. Each Party acknowledges that it has had a fair and reasonable opportunity to review this Agreement, which shall be construed as though drafted by both parties.

### GC-7 WAIVER

The waiver by either Party of any default or breach of this Agreement shall not constitute a waiver of any other or subsequent default or breach.

### GC-8 OWNERSHIP OF DOCUMENTS AND DATA

All finished and unfinished documents, data, studies, surveys, drawings, specifications, field notes, maps, models, photographs, videos, project-customized software, project-customized intellectual property, and reports which are first produced by the Consultant in the performance of the Work are, and will remain, the property of Consultant.

### GC-9 INDEPENDENT CONTRACTOR

Consultant represents that it is fully experienced, properly qualified, registered, licensed, equipped, organized and financed to perform the Work under this Agreement. Consultant shall perform the Work hereunder in accordance with its own methods subject to compliance with the Agreement. Consultant agrees to be solely responsible for all matters pertaining to its status as a business in the state as well as all federal laws, IRS requirements, and labor laws as they pertain to the Work being performed and paid under this Agreement. Consultant shall act as an independent contractor and not as the agent of Client in performing this Agreement, maintaining complete control over its employees and all of its lower-tier suppliers and subcontractors. Nothing contained in this Agreement or any lower-tier purchase order or Agreement awarded by Consultant shall create any contractual relationship or rights between any lower-tier supplier or subcontractor and Client. Nothing contained in the Agreement shall be construed to imply a joint venture, partnership or principal-agent relationship between the Parties. Neither Party by virtue of this Agreement shall have any right, power, or authority to act or create any obligation, express or implied, on behalf of the other Party.

### GC-10 SITE ACCESS AND CONDITIONS AFFECTING THE WORK

The Client will grant or obtain free access to the Work site, if any, for all equipment and personnel necessary for the Consultant to perform the Work set forth in this Agreement. The Client will notify any and all possessors of the project site that Client has granted Consultant free access to the site. The Consultant will take reasonable precautions to minimize damage to the site, but it is understood by the Client that, in the normal course of work, some damage may occur, and the correction of such damage is not part of this Agreement unless so specified in the Cost Estimate and associated Scope of Work. The Client is responsible for the accuracy of locations for all subterranean structures and utilities. The Consultant will take reasonable precautions to avoid known subterranean structures, and the Client waives any claim against Consultant, and agrees to defend, indemnify, and hold Consultant harmless from any claim or liability for injury or loss, including costs of defense, arising from damage done to subterranean structures and utilities not identified or accurately located. In addition, Client agrees to compensate Consultant for any time spent or expenses incurred by Consultant in defense of any such claim with compensation to be based upon Consultant's prevailing fee structure and expense reimbursement policy. Before starting the Work, the Consultant shall review all existing site conditions, drawings if any, specifications if any, and other documents relative to the Work, as well as the information furnished by Client pursuant to the Work. Any errors, inconsistencies or omissions then discovered by the Consultant shall be reported promptly to the Client for clarification. Consultant shall not proceed in conflict areas without specific written direction from the Client.

### GC-11 DISCOVERY OF UNANTICIPATED HAZARDOUS MATERIALS

Client warrants that a reasonable effort has been made to inform Consultant of known or suspected hazardous materials on or near the project site. Under the terms of this Agreement, the term "hazardous materials" includes, but is not limited to, hazardous materials (40 CFR 172.01), hazardous wastes (40 CFR 261.2), hazardous substances (40 CFR 300.6), petroleum products, polychlorinated biphenyls, mold and asbestos. Hazardous materials may exist at a site where there is no reason to believe they could or should be present. Consultant and Client agree that the discovery of unanticipated hazardous materials constitutes a changed condition that may mandate a renegotiation of the scope of Work. Consultant and Client agree that the discovery of unanticipated hazardous materials may make it necessary for Consultant to take immediate measures to protect health and safety. Client agrees to compensate Consultant for any equipment decontamination or other costs incident to the discovery of unanticipated hazardous materials. Consultant agrees to notify Client when unanticipated hazardous materials or suspected hazardous materials are

## General Terms and Conditions

encountered. Client agrees to make all disclosures required by law to the appropriate governing agencies. Client also agrees to hold Consultant harmless for any and all consequences of disclosures made by Consultant which are required by governing law. In the event the project site is not owned by Client, Client recognizes that it is the Client's responsibility to inform the property owner of the discovery of unanticipated hazardous materials. Notwithstanding any other provision of this Agreement, Client waives any claim against Consultant, its agents, servants, employees, representatives, officers, directors, sureties, attorneys, owners, affiliates, heirs, assigns, suppliers and subcontractors, and to the maximum extent permitted by law, agrees to defend, indemnify, and save Consultant harmless from any claim, liability, and/or defense costs for injury or loss arising from Consultant's discovery of unanticipated hazardous materials including any costs created by delay of the project and any cost associated with possible reduction of the property's value. Client will be responsible for ultimate disposal of any samples secured by the Consultant which are found to be contaminated.

### GC-12 CONSIDERATION AND COMPENSATION

Consultant shall be paid in accordance with the rates and/or prices established in the Agreement. Unless amended in writing and signed by the Parties, Consultant is not obligated to incur expenses and cost in excess of that amount.

### GC-13 BILLING AND PAYMENT

Consultant will submit invoices to Client monthly or upon the completion of the Work. Invoices will reflect charges for different personnel and expense classifications or will indicate a lump sum charge for services rendered in accordance with the Cost Estimate. Payment is due thirty (30) days after presentation of invoice and is past due 31 days from invoice date. Client agrees to pay a finance charge of one and one-half percent (1.5%) per month, or the maximum rate allowed by law, on past due accounts. If the Consultant incurs any expenses to collect overdue billings on invoices, the sums paid by the Consultant for reasonable attorney's fees, court costs, Consultant's time, Consultant's expenses, and interest will be due and owing by the Client.

### GC-14 WRITTEN NOTICE

The addresses provided for the Parties in the Agreement shall be the addresses for all notices and correspondence in all matters dealing with this Agreement. Except as otherwise expressly provided herein, all written notices required to be delivered by the Parties pursuant hereto shall be deemed so delivered at the time delivered by hand one business day after confirmed transmission by facsimile or other electronic system (with confirmation copy sent by regular U.S. Mail or overnight delivery service) or 3 business days after placement in the U.S. Mail by registered or certified mail, return receipt requested, postage prepaid, or to such other address as such party may designate by 10 days' advance written notice to the other Party.

### GC-15 FORCE MAJEURE

Neither Party shall be liable nor be able to terminate this Agreement for any failure to perform hereunder where such failure is proximately caused by a Force Majeure Occurrence, which is defined as an occurrence beyond the control and without the fault or negligence of the Party affected and which by exercise of reasonable diligence the Party is unable to prevent or protect against. Without limiting the generality of the foregoing, Force Majeure Occurrences shall include: acts of nature (including fire, flood, earthquake, storm, hurricane or other natural disaster), war, invasion, terrorist acts, government sanction or embargo, labor disputes of third parties to this Agreement, or the prolonged failure of electricity or other vital utility service. Any Party asserting Force Majeure as an excuse to performance shall have the burden of proving proximate cause, that reasonable steps were taken to minimize the delay and damages caused by events when known, and that the other Party was timely notified of the likelihood or actual occurrence which is claimed as grounds for a defense under this clause.

### GC-16 INSURANCE

Consultant agrees it shall carry and maintain in force and effect during the entire term of this Agreement the following required insurance policies: Commercial General Liability, Worker's Compensation and Employer's Liability, Business Auto Liability, and Professional Liability. A certificate of insurance detailing these policies will be provided upon request.

### GC-17 LIMITATION OF LIABILITY

Client agrees that the Consultant's liability for on account of any error, omission, or other professional negligence will be limited to a sum not to exceed Fifty Thousand (\$50,000.00) Dollars, or Consultant's fee, whichever is greater. If Client prefers to have higher limits on professional liability, Consultant agrees to increase the limits up to a maximum of One Million (\$1,000,000.00) Dollars upon Client's written request, provided that Client agrees to pay an additional consideration of four percent (4%) of the total fee for the project or Five Hundred (\$500.00) Dollars, whichever is greater. The additional charge for the higher liability limits is because of the greater risk assumed and is not strictly a charge for additional professional liability insurance.

### GC-18 INDEMNITY

Subject to the limits established in the Limitation of Liability clause herein, each Party shall defend, save the other together with their agents, servants, employees, representatives, officers, directors, sureties, attorneys, owners, affiliates, heirs, assigns, suppliers and subcontractors harmless from and against and shall indemnify the other for any liability, loss, costs, expenses, or damages to the extent of its negligent acts or omissions in performing under this Agreement. To the extent of its negligence, the indemnifying Party shall defend said action at its own expense and shall pay and discharge any judgment that may be rendered in any such action. If such indemnifying Party fails or neglects to so defend, the Party sued may defend the same and any expenses, including reasonable attorneys' fees, which it may pay or incur in defending said action and the amount of any judgment which it may be required to pay shall be promptly reimbursed upon demand. Such undertaking of defense shall not be deemed an admission of liability, an agreement to assume liability, or a waiver of any right or remedy which the undertaking Party may have. In the event of any indemnified claim against Consultant by Client or any third person associated with Client, Consultant reserves the right to choose legal counsel and direct the defense of such claim at Client's sole cost and expense if the Client is notified of the claim, the claim is the result of Client's efforts, and the Client either fails or neglects to defend the claim. Each Party shall protect, defend, indemnify and hold harmless the other Party hereto from and against any and all damages and expenses arising out of a claim of actual or alleged infringement of patent, copyright, trademark or trade name asserted in connection with the use of equipment, tools, or methods of operation furnished pursuant to this Agreement. In no event, whether on warranty, contract, or negligence, shall either Party be liable to the other for incidental, indirect, or consequential damages, including but not limited to, loss of profits, loss of revenue, loss of use of equipment or facilities, costs of capital, cost of substitute or underutilization of equipment, facilities or labor, downtime costs, or claims of customers resulting from the performance or nonperformance of obligations of this Agreement.

### GC-19 STANDARD OF CARE

Services performed by the Consultant under this Agreement will be conducted in a manner consistent with the level of care and skill ordinarily exercised by members of the Consultant's profession practicing contemporaneously under similar conditions in the locality of the Work. No other warranty, expressed or implied, is made. The Client recognizes that site conditions may change from those observed at the site at the time Work is performed. Data, interpretations, and recommendations by the Consultant will be based solely on information available to the Consultant at the time of the performance of the Work. The Consultant is responsible for those data, interpretations, and recommendations, but will not be responsible for other parties' interpretations or use of the information provided.

### GC-20 PROPRIETARY AND CONFIDENTIAL INFORMATION

Information which is exchanged under or in connection with this Agreement may include proprietary and confidential information of the disclosing Party. The receiving Party shall not disclose such confidential information to others or use it for any purposes other than this Agreement without prior written consent from disclosing Party. All such proprietary information shall be clearly marked as "Proprietary." In the event proprietary information is orally disclosed, it should then be

## General Terms and Conditions

reduced to writing and marked "Proprietary" within ten (10) days thereafter. The receiving Party shall use at least the same degree of care to prevent disclosure to any third party of misuse of the proprietary information as it employs with respect to its own proprietary information of like importance and use. Proprietary information shall not include, and this paragraph shall not apply to information which: (a) was in the receiving Party's possession or was known to the receiving Party prior to its receipt from the disclosing Party; (b) is or becomes public knowledge without fault of the receiving Party; (c) is acquired by the receiving Party from a third party with good legal title thereto and without binder of secrecy; (d) is independently developed by the receiving Party; (e) is used or disclosed with the prior written approval of the disclosing Party; or (f) is disclosed pursuant to the requirement or request of U.S. or other governmental agency. If such a requirement or request is presented by the U.S. or other governmental agency, Consultant will immediately notify Client and will give Client a reasonable opportunity to contest or dispute such disclosure if they deem necessary. The obligations stated under this clause shall survive the expiration or termination of this Agreement and any extension thereof for a period of two (2) years. All tangible forms and copies of the proprietary information, such as written documentation, delivered by either Party to the other pursuant to this Agreement shall be and remain the property of the issuing Party, and all such tangible information shall be properly returned to said Party or destroyed upon its written request. Any work papers, memoranda or other writings prepared by the receiving Party incorporating any or all of the information shall also be subject to the provisions of this Agreement.

### GC-21 RESOLUTION OF DISPUTES

The Parties agree to attempt to resolve any dispute by direct negotiations and in good faith. If these negotiations prove unsuccessful, the following rules shall apply: The Parties agree that this Agreement, and the performance or breach thereof, shall be governed and construed in accordance with the substantive and procedural laws of the State of Florida, United States of America. Any dispute, controversy, claim or difference arising out of or relating to, or resulting from this Agreement, its application or interpretation, or a breach thereof, which cannot be settled amicably by the Parties, shall be resolved definitively and exclusively by arbitration under the Rules of Procedure of the American Arbitration Association (the "Rules") then prevailing, which arbitration shall be held in Jacksonville, Florida. Arbitration shall be by a single arbitrator within thirty (30) calendar days after demand for arbitration, the arbitrator being chosen in accordance with the Rules. It is agreed that all documentary submissions, presentations and proceedings shall be in the English language. The decision of the arbitrator shall be final and binding on the parties, and judgment upon any award rendered may be entered in any court having jurisdiction thereof. Any time which elapses in attempting to resolve the dispute through either or both negotiation or arbitration shall extend day-for-day any applicable statute(s) of repose or limitation of actions. The Parties agree that this arbitration obligation shall survive the termination of this Agreement, whether by default or convenience. Notwithstanding anything to the contrary, (a) Consultant reserves the right to pursue and obtain injunctive or equitable relief from a court of law; (b) if a lawsuit or arbitration is brought against Consultant in a court of law and such claims involve, directly or indirectly, Client's work, Consultant reserves the right to join Client in such arbitration or lawsuit, and (c) if any claims by Client involve, directly or indirectly, the work or obligations of other persons, Consultant reserves the right to join such other persons to its arbitration or litigation with Client.

### GC-22 ASSIGNMENT

Neither the Client nor the Consultant may delegate, assign, sublet or transfer their duties or interest in this Agreement without the written consent of the other Party. However, Consultant may assign rights to be paid amounts due to a financing institution if Client is promptly furnished a written notice and a signed copy of such assignment. If assigned, all covenants, stipulations and promises of this Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective successors, assigns and legal representatives.

### GC-23 TAXES

Unless otherwise stated in this Agreement, Client shall pay all taxes, levies, duties, and assessments of every nature due in connection with the Work under this Agreement required by law and hereby indemnifies and holds harmless Consultant from any liability on account of any and all such taxes, levies, duties, assessments, and deductions. Unless otherwise provided herein, the price of the Work includes all applicable federal, state and local taxes.

### GC-24 COMPLIANCE WITH LAWS

The Parties will comply with applicable laws, statutes, ordinances, orders, rules and regulations of all governmental authorities having jurisdiction over the Work to be performed, and will have all licenses, permits, and other necessary documents for the performance of the Work.

### GC-25 CHANGES

This Agreement may not be and shall not be deemed or construed to have been modified, amended, rescinded, canceled or waived in whole or part, except by written instruments signed by the Parties hereto. When, in the Consultant's opinion, any direction from Client or any other discovery or occurrence, constitutes a change to the Agreement terms, Consultant shall notify the Client immediately in writing to obtain a written instrument implementing the change. Upon request from Client, Consultant may be required at a later date to submit a formal written request including all necessary supporting documentation to justify the change. Notice of request for change must be given as soon as practical, and at all times must be given prior to any action being taken by Consultant on the changed Work or activity. A modification constitutes complete agreement between the Parties regarding any changes made to the Agreement.

### GC-26 SUSPENSION

The Client may for any reason direct the Consultant to suspend performance of any part or all of the Agreement for an indefinite period of time. If any such suspension significantly delays progress or causes the Consultant additional direct expenses in the performance of the Agreement, not due to the fault or negligence of the Consultant, the compensation to the Consultant shall be adjusted by a formal modification to the Agreement and the time of performance shall be extended by the actual duration of the suspension.

### GC-27 TERMINATION

This Agreement may be terminated by either Party upon seven (7) days' written notice in the event of substantial failure by the other Party to perform in accordance with the terms hereof. Such termination shall not be effective if that substantial failure has been remedied before expiration of the period specified in the written notice. In the event of termination, Consultant shall be paid for services performed to the termination notice plus reasonable termination expenses.

In the event of termination, or suspension of more than three months prior to completion of all reports contemplated by this Agreement, Consultant may complete such analyses and records as necessary to complete the project files and may also complete a report on the service performed to the date of notice of termination or suspension. The expense of termination of suspension shall include all direct costs incurred by Consultant in completing, compiling and transmitting such analyses, records and reports.

### GC-28 RETENTION OF RECORDS

Consultant will retain all pertinent records relating to the services performed for a period of five (5) years following completion of the Work, during which period the records will be made available to the Client at all reasonable times.

### GC-29 SUCCESSORS

All covenants, stipulations and promises in this Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective successors, assigns and legal representatives. Neither Party shall have the right to assign or otherwise transfer its rights or obligations under this Agreement except with the written consent of the other Party, provided, however, that a successor in interest by merger, by operation of law, assignment, purchase, or otherwise of the entire business of either Party, shall acquire all interest of such Party hereunder. Prohibited assignments shall be void at the option of the non-assigning Party.

The District reserves the right to return unopened to the proposer any proposals received after the time and date stipulated above. Each proposal shall remain binding for a minimum of one hundred twenty (120) days after the proposal opening.

Proposals will be evaluated in accordance with the criteria included in the Project Manual. The District reserves the right to reject any and all proposals, make modifications to the work, award the contract in whole or in part with or without cause, and waive minor or technical irregularities in any proposal, as it deems appropriate, and if the District determines in its discretion that it is in the District's best interests to do so. Any protest of the Project Manual, including, but not limited to the terms and specifications, must be filed with the District within 72 hours of the mandatory pre-proposal conference, together with a protest bond in a form acceptable to the District and in the amount of \$100,000. In the event the protest is successful, the protest bond shall be refunded to the protestor. In the event the protest is unsuccessful, the protest bond shall be applied towards the District's costs, expenses and attorney's fees associated with hearing and defending the protest. **NOTICE OF PUBLIC HEARING TO CONSIDER THE ADOPTION OF THE FISCAL YEAR 2019/2020 BUDGET; NOTICE OF PUBLIC HEARING TO CONSIDER THE IMPOSITION OF OPERATIONS AND MAINTENANCE SPECIAL ASSESSMENTS, ADOPTION OF AN ASSESSMENT ROLL, AND THE LEVY, COLLECTION, AND ENFORCEMENT OF THE SAME; AND NOTICE OF REGULAR BOARD OF SUPERVISORS MEETING.**

**Upcoming Public Hearings, and Regular Meeting**

The Board of Supervisors ("Board") for the Meadow View at Twin Creeks Community Development District ("District") will hold the following two public hearings and a regular meeting:

DATE: August 15, 2019  
TIME: 10:00 a.m.  
LOCATION: Governmental Management Services, LLC  
475 West Town Place, Suite 114  
St. Augustine, Florida 32082

The first public hearing is being held pursuant to Chapter 190, Florida Statutes, to receive public comment and objections on the District's proposed budget ("Proposed Budget") for the fiscal year beginning October 1, 2019 and ending September 30, 2020 ("Fiscal Year 2019/2020"). The second public hearing is being held pursuant to Chapters 190 and 197, Florida Statutes, to consider the imposition of operations and maintenance special assessments ("O&M Assessments") upon the lands located within the District, to fund the Proposed Budget for Fiscal Year 2019/2020; to consider the adoption of an assessment roll; and, to provide for the levy, collection, and enforcement of assessments. At the conclusion of the hearings, the Board will, by resolution, adopt a budget and levy O&M Assessments as finally approved by the Board. A Board meeting of the District will also be held where the Board may consider any other District business.

**Description of Assessments**

The District imposes O&M Assessments on benefitted property within the District for the purpose of funding the District's general administrative, operations, and maintenance budget. A geographic depiction of the property potentially subject to the proposed O&M Assessments is identified in the map attached hereto. The table below shows the schedule of the proposed O&M Assessments, which are subject to change at the hearing:

Product Type	Total Lots	ERU	Proposed FY 2020 O&M Assessment
Townhomes	196	0.8	\$563.00
43' Single Family Lot	573	0.9	\$634.50
53' Single Family Lot	387	1	\$705.00
63' Single Family Lot	172	1.1	\$775.50
73' Single Family Lot	66	1.15	\$810.75
90' Single Family Lot	82	1.2	\$844.00
Undeveloped Land	630 Acres	1 Acre	\$158.00

The proposed O&M Assessments as stated include collection costs and/or early payment discounts, which St. Johns County ("County") may impose on assessments that are collected on the County tax bill. Moreover, pursuant to Section 197.3032(4), Florida Statutes, the lien amount shall serve as the "maximum rate" authorized by law for O&M Assessments, such that no assessment hearing shall be held or notice provided in future years unless the assessments are proposed to be increased or another criterion within Section 197.3032(4), Florida Statutes, is met. Note that the O&M Assessments do not include any debt service assessments previously levied by the District and due to be collected for Fiscal Year 2019/2020.

For Fiscal Year 2019/2020, the District intends to have the County tax collector collect the assessments imposed on certain developed property. It is important to pay your assessment because failure to pay will cause a tax certificate to be issued against the property which may result in loss of title, or for direct billed assessments, may result in a foreclosure action, which also may result in a loss of title. The District's decision to collect assessments on the tax roll or by direct billing does not preclude the District from later electing to collect those or other assessments in a different manner at a future time.

**Additional Provisions**

The public hearings and meeting are open to the public and will be conducted in accordance with the provisions of Florida law. A copy of the Proposed Budget, proposed assessment roll, and the agenda for the hearings and meeting may be obtained at the offices of the District Manager, located at Governmental Management Services, LLC, 475 West Town Place, Suite 114, St. Augustine, Florida 32082, (904) 940-5820 ("District Manager's Office"), during normal business hours. The public hearings and meeting may be continued to a date, time, and place to be specified on the record at the hearings or meeting. NOTICE OF PUBLIC HEARING TO CONSIDER THE ADOPTION OF THE FISCAL YEAR 2019/2020 BUDGET; NOTICE OF PUBLIC HEARING TO CONSIDER THE IMPOSITION OF OPERATIONS AND MAINTENANCE SPECIAL ASSESSMENTS, ADOPTION OF AN ASSESSMENT ROLL, AND THE LEVY, COLLECTION, AND ENFORCEMENT OF THE SAME; AND NOTICE OF REGULAR BOARD OF SUPERVISORS MEETING.

Upcoming Public Hearings, and Regular Meeting

The Board of Supervisors ("Board") for the Meadow View at Twin Creeks Community Development District ("District") will hold the following two public hearings and a regular meeting:

DATE: August 15, 2019  
TIME: 10:00 a.m.  
LOCATION: Governmental Management Services, LLC  
475 West Town Place, Suite 114  
St. Augustine, Florida 32092

The first public hearing is being held pursuant to Chapter 190, Florida Statutes, to receive public comment and objections on the District's proposed budget ("Proposed Budget") for the fiscal year beginning October 1, 2019 and ending September 30, 2020 ("Fiscal Year 2019/2020"). The second public hearing is being held pursuant to Chapters 190 and 192, Florida Statutes, to consider the imposition of operations and maintenance special assessments ("O&M Assessments") upon the lands located within the District, to fund the Proposed Budget for Fiscal Year 2019/2020; to consider the adoption of an assessment roll; and, to provide for the levy, collection, and enforcement of assessments. At the conclusion of the hearings, the Board will, by resolution, adopt a budget and levy O&M Assessments as finally approved by the Board. A board meeting of the District will also be held where the Board may consider any other District business.

Description of Assessments

The District imposes O&M Assessments on benefitted property within the District for the purpose of funding the District's general administrative, operations, and maintenance budget. A geographic depiction of the property potentially subject to the proposed O&M Assessments is identified in the map attached hereto. The table below shows the schedule of the proposed O&M Assessments, which are subject to change at the hearing:

Product Type	Total Lots	ERU	Proposed FY 2020 O&M Assessment
Townhomes	196	0.8	\$563.00
48' Single Family Lot	573	0.9	\$634.50
53' Single Family Lot	387	1	\$705.00
63' Single Family Lot	172	1.1	\$775.50
73' Single Family Lot	66	1.15	\$810.75
90' Single Family Lot	82	1.2	\$844.00
Undeveloped Land	630 Acres	1 Acre	\$158.00

The proposed O&M Assessments as stated include collection costs and/or early payment discounts, which St. Johns County ("County") may impose on assessments that are collected on the County tax bill. Moreover, pursuant to Section 197.3632(d), Florida Statutes, the lien amount shall serve as the "maximum rate" authorized by law for O&M Assessments, such that no assessment hearing shall be held or notice provided in future years unless the assessments are proposed to be increased or another criterion within Section 197.3632(d), Florida Statutes, is met. Note that the O&M Assessments do not include any debt service assessments previously levied by the District and due to be collected for Fiscal Year 2019/2020.

For Fiscal Year 2019/2020, the District intends to have the County tax collector collect the assessments imposed on certain developed property. It is important to pay your assessment because failure to pay will cause a tax certificate to be issued against the property which may result in loss of title, or for direct billed assessments, may result in a foreclosure action, which also may result in a loss of title. The District's decision to collect assessments on the tax roll or by direct billing does not preclude the District from later electing to collect those or other assessments in a different manner at a future time.

Additional Provisions

The public hearings and meeting are open to the public and will be conducted in accordance with the provisions of Florida law. A copy of the Proposed Budget, proposed assessment roll, and the agenda for the hearings and meeting may be obtained at the offices of the District Manager, located at Governmental Management Services, LLC, 475 West Town Place, Suite 114, St. Augustine, Florida 32092, (904) 946-9800 ("District Manager's Office"), during normal business hours. The public hearings and meeting may be continued to a date, time, and place to be specified on the record at the hearings or meeting. There may be occasions when staff or board members may participate by speaker telephone.

Any person requiring special accommodations at this meeting because of a disability or physical impairment should contact the District Manager's Office at least forty-eight (48) hours prior to the meeting. If you are hearing or speech impaired, please contact the Florida Relay Service by dialing 7-1-1, or 1-800-365-8777 (TDD) / 1-800-366-8770 (Voice), for aid in contacting the District Manager's Office.

Please note that all affected property owners have the right to appear at the public hearings and meeting, and may also file written objections with the District Manager's Office within twenty days of publication of this notice. Each person who decides to appeal any decision made by the Board with respect to any matter considered at the public hearings or meeting is advised that person will need a record of proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which such appeal is to be based.
